The mission of Pottstown GoFourth!, Inc. is to promote the Borough of Pottstown through events and activities that build the strength of the community and encourage civic pride. A festival of this magnitude has significant costs, so we hope we can count on your support this year for this important community event. Since our inception in 2017, our expenses have grown significantly, especially in the area of safety and security in order to keep our community safe during the day's events.

Please note that funds for both the Festival and the Parade are being collected by Pottstown GoFourth, Inc.

Please consider showing your support by becoming a sponsor at one of the levels listed in our sponsorship package
